

How to Fill out the Non Disclosure/Registration Agreement

There are excellent opportunities for the right buyer. Seller are very motivated. However, our office requires all potential buyers to sign our Non Disclosure/Registration Agreement. It registers you as a buyer at no expense and allows us to disclose personal information about the business.

One NDA agreement is attached for your convenience. Please complete the agreement and fax it back to me at (949)209-5462 or (949) 253-4132. I will send you the summary on the business, including address, profit and loss, and lease information, etc.

You will then be able to visit the site and know what you will possibly be buying. Please remember NOT to speak with any of the employees. In almost all instances, the employees do not know that the business is for sale. We promised the Seller that you would not disrupt their business, and the buyers will be discreet.

My office number is (949) 253-5889. Please do not hesitate to contact me if you have any questions.
